ABOUT ME

Third-year medical student running a hybrid food blog/fashion blog/advice column. Through this I hope to share my journey through medicine, including the inspirations, aspirations, and apprehensions that I encounter along the way. I am here to provide a healthy dose of style appreciation, visual inspiration, culinary excursions, advice posts, and some insight into my time in medical school.

COLLABORATION

MEDICINE + HEALTH

The medical school experience/study advice • Educational apps and learning resources • Medical apparel/accessories (e.g. stethoscopes and scrubs)

FASHION + MENSWEAR

Clothing for young professionals, ranging from street style to casual to formal • “White coat-appropriate” style advice • Accessories • Jewelry • Footwear

FOOD + TRAVEL

Food subscription services • Dining experiences and restaurant reviews • Destinations • Recipes
